

Zhangjiagang Sewingman Caps & Apparel Co., Ltd. is located in Zhangjiagang, a mid-size city about 1.5 hours' drive via highway or 40 minutes' ride via high-speed railway from Shanghai. Since 2002, we've been designing hats and caps to accompany style-conscious athletes, adventurers, creatives, and tastemakers on endeavors that span the globe.

Our products include knit beanies, scarves & gloves, sun hats and baseball caps, Balaclavas & bandanas, neck gaiters, ski masks and more.

Cashmere, Tencel, merino wool, cotton, acrylic, wool-blend, fleece, and other environmental friendly materials like recycled polyester, Polylana, degradable polyester, organic cotton are widely used in our production. All the materials we use are environmentally friendly and are certified by OEKO-TEX 100.

Our self-owned factory which has been audited by BSCI, GRS & GOTS has a land area of over 4,000 square meters including 4 production sections. Our annual productive capacity has reached 5,000,000 units of knit beanies, scarves, gloves, and other hats and caps.

As we provide worldwide OEM & ODM service, in addition to continuing to supply for overseas importers, wholesalers, distributors and retailers, more and more Amazon, eBay, social media and online celebrities sellers, independent station sellers are also purchasing our products.
