Quality Agreement Never Abandoned

QANA HOLDINGS GROUP built three subsidiaries at 2002, GROUP has its expectation and obtains foreigners satisfaction. QANA GROUP leads all the staff going forward with the management faith of "one should be honest, work with heart, pursue for better ". Quality Agreement Never Abandoned. QANA, you deserve a trading partner!

Our Vision:

Quality products of QANA, enjoy tremendous popularity in the world.

Our Mission:

Have every family around the world to happily enjoy the safety of ecological chain quality products;

Our Values:

Achieve customers, Happy employees, Lead the industry, Benefit shareholders!

Management idea:

Quality Agreement Never Abandoned
Customers' Delivery On Time Is Our Mission
Products Innovation Is Our Life

QANA's Vision

"Bringing love and technology to every family, connecting global brands, and creating commercial prosperity!"

Mission

Driven by love and technology, QANA is committed to building an AI-powered ecosystem of premium products. Through the power of global connections, we bring love and wisdom into every family, brand, and market. We provide global families with convenient, warm, and sustainable happy living experiences, adhering to exceptional quality and innovative intelligence. We not only meet diverse family needs but also empower global brands with industry-leading smart transformation solutions, driving brand value growth and the comprehensive prosperity of a smarter future. Together, we create a better future for human life and the global business ecosystem!

Core Values

Q – Quality

Uphold our commitment to quality and earn global recognition with excellence.

A – Ambition

With a global perspective, strive to lead the industry's development.

N – Novelty

Innovation is the lifeblood of our business, using an ecosystem of premium products to shape the future.

A – Achievement

Create success for customers, happiness for employees, and win-win outcomes for all.

QANA not only strives for synergy between families and brands but also aims to drive the development of global smart living and business ecosystems. With quality, ambition, innovation, and achievement as our foundation, we work hand-in-hand with customers and partners to create a brighter future.

Business Philosophy

"Connecting families with love, bridging opportunities with technology, driving happiness, brand value, and business ecosystem prosperity, and upholding responsibility and ethics to create a better future."

1. Achieving Customers

Always put customer needs at the core. Uphold the principles of honesty and integrity, providing families with convenient, warm, and sustainable happy living experiences. Empower brands to achieve smart transformation and value enhancement.

2. Happy Employees

Respect employee rights, advocate for fairness and inclusion, foster a vibrant and welcoming work environment, inspire innovation potential, and create mutual success for both the company and individuals.

3. Industry Leadership

Commit to exceptional quality and product innovation. Leverage the AI-powered product ecosystem to drive industry development while adhering to sustainable principles, maintaining ecological balance, and fulfilling social responsibilities.

4. Shareholder Returns

Base strategies on sound operations and compliant business practices to safeguard long-term shareholder interests, achieving a win-win for corporate value and social value.

5. Social Responsibility

Uphold ethical standards, support public welfare initiatives, and actively promote education, environmental protection, and social harmony, contributing to the progress of global society.

Core Values and Ethical Principles

- Integrity: Be honest and trustworthy, align words with actions, and earn the trust of customers, employees, partners, and society through integrity.
- Respect for Diversity: Embrace cultural and ideological diversity, advocate for inclusion and cooperation, and build a harmonious and mutually beneficial ecosystem.
- Sustainability: While driving innovation and growth, remain committed to environmental protection and social responsibility to achieve balanced economic and social development.
- Fairness and Justice: Abide by principles of fair competition, uphold business ethics, and reject any form of corruption or injustice.

QANA's Commitment

Driven by "love and technology," QANA connects families, brands, and markets through exceptional quality, innovative intelligence, and ethic

Industrial Design Center

The head of design innovation in QANA group, is dedicated to designing innovative products of all series for the group, and providing reliable & reasonable designing scheme for clients. Through years of efforts, Aron Pouring Pot. Self-developed products have won Red Dot Award, IF Product Design Award, Germany Kitchenware Innovation Award, China Excellent Industrial Design Award, Canton Fair Export Product Design Award. Our design innovation ability ranks top among domestic and overseas counterparts.
